

## Guideline for the Admission procedure

1. Check the merit list.
2. **If your name is in the merit list then check the range of ranks of eligible candidates at the top of the page written in red colour.**
3. If your rank is within the specified range of ranks of allowed candidates then you are eligible take provisional admission with in the specified dates.
4. To take provisional admission visit our college website within the specified dates.
5. Put your **Application number** and **Date of birth** there and click submit.
6. Proceed to payment.
7. After successful payment you need to take print out of your payment receipt. Check website regularly for date of verification.
8. **If your rank is not within the specified range of ranks of allowed candidates then you need to wait for the next merit list (subject to availability of seats).**
