

## Exhibition on: The Elements of Periodic Table 2019: Impact on Environment and Society

Department of Chemistry  
Sarsuna College

We are proud to inform that United Nations General Assembly and UNESCO has declared this year-2019 as the International Year of Periodic Table [IYPT2019] and are supported by IUPAC in partnership with the International Union of Pure and Applied Physics (IUPAP). As the year 2019 will be the 150<sup>th</sup> anniversary of the discovery of Dmitry Mendeleev's Periodic System.

In this regard, Sarsuna College Chemical Society (SCCS) has come forward into taking an initiative to organize an exhibition to celebrate the International Year of Periodic Table and to bring into light the importance and exposure of Periodic Table in the World of Chemistry on 20<sup>th</sup> September, 2019 at Sarsuna College.

On behalf of the SCCS, I am pleased to invite all my friends, colleague, students, teachers and personals of different institution/school/college/University and Industries to attain this exhibition in our college.

We expect your active participation in this exhibition in Sarsuna College as it holds a prime position into scattering education and knowledge and are a part of this significant celebration.

**Important Date: 20<sup>th</sup> September, 2019**

**Exhibition Time: 11:30 am – 5:30 pm**
