

NOTICE

03/12/2020

Students of GIS training course of the college who were admitted in 2019 are hereby asked to clear their long pending course fees of Rs. 30,000/= immediately. Those who have already paid any installment are asked to clear the rest part of the requisite fees. Due to the pandemic lockdown and closure of college, no student has yet been forced to pay their pending fees. You all were admitted in 2019 with assurance to clear your one time fees of Rs.30,000 /= in instalments. But it is noticed that no one has cleared fees till date. It is understood that the college remains closed and the situation around is not favourable. But since nearly 1 year has already passed, the college authority intends to complete your syllabus as soon as possible and also arrange for ESRI classes. In this state all students are directed to clear their fees on immediate basis by January 2021.
